**UPDATED PRAYER CONCERNS**

**Wayne Patterson** had open heart surgery Jul 3 to replace a heart valve. He has been recovering very well and was discharged from the hospital Jul 11.

**John Morse** was hospitalized Jun 22-24 with blood clots in his leg and lungs. He has also discovered he has a torn meniscus which will require surgery. Due to the blood clots, he will not be able to have surgery for several months.

**Bill Parson** is continuing his recovery after spinal fusion surgery on Jan 23. Bill had several tests done in order to see what internal problems could be causing his minimal recovery. It has been concluded that while there is still extensive nerve repair to reckon with, he should depend on home exercise. Bill has reached his cap on physical therapy. The therapist and surgeon are still determining if additional help is available. The surgeon recommends that he adjust to as "normal" a lifestyle as possible which includes attempts at driving. We thank God for our church family who is walking this journey with us in Spirit and in truth.

**David Smith**, son of **Judy Smith**, was scheduled for another foot surgery on July 11, but has elected not to have the surgery at this time. David has an opportunity to take a new job, which is a great opportunity for him and which he will begin at the end of July.

**Lou Wood** had her third chemo treatment July 5.

**Randy Bradford**, uncle of **Jim Wood**, is 96 years old and recently broke his femur and had to have a rod placed in his leg.

**Ron Duncan**, friend of the **Baldwin family**, was in a motorcycle accident on July 4. He has suffered multiple injuries and is hospitalized at GHS, expecting a lengthy recovery.

**Cindy Still** received a good report from the tests that involved wearing a heart monitor. Her doctor believes she has a thyroid issue.
