

PASSPORT CAMPS
Special Needs Information Form

In an effort to help the Passport staff be as prepared as possible for camp ministry, please list any of your campers' special needs. This may include: family crisis situations, physical limitations (mobility, sight or hearing differences), unusual allergic reactions (food, bee sting), dietary needs, English as a second language, learning or behavioral differences, emotional or spiritual struggles, etc. This information will be handled carefully as a matter of prayer and assistance to our staff during camp and will not go beyond the bounds of Passport staff. Passport reserves the right to ask that an adult from your group assist your camper during Bible Study if we consider close individual attention in the camper's best interest.
